DATE OF BIRTH: 20/5/2002

ABOUT ME:

I am passionate about technology and a fast learner, always looking to improve my skills. I have experience completing tasks using React and CSS Tailwind, showing my ability to learn new tools and deliver results, even without prior experience.
I am eager to develop my expertise through projects and apply my knowledge in IT environments. With strengths in creativity and resourcefulness,
I am excited to join a team where i can grow, learn and make real impact

Experince:

Brainiac Training Centre
UX - Front End Developer
- Built easy-to-use and responsive interfaces using React and Tailwind CSS.
- Worked on improving website usability, making it more intuitive, especially for new users.
- Learned and adapted to new tools quickly to meet deadlines and project needs.
- Completed tasks on time while solving problems and paying close attention to details.
